## 2012 Dental Plan Changes

- Implants are now covered subject to plan limitations. Placement and removal is now covered once per lifetime per tooth space
- Frequency for bitewing x-rays reduced from two times in a calendar year to once in a calendar year
- Frequency for complete series x-rays reduced from once every three years to once every five years
- Non-Emergent care in a foreign country is excluded
- Members must reside in the USA in order to receive coverage
